Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Tate Publishing Enterprises, United States, 2009. Paperback. Book Condition: New. 218 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****. Your room would be clean, and mine would be messy. I would wear sneakers, and you would be dressy. If I Were You is a charming exploration of diversity in friendship and the joy that can be found in having a friend who is your exact opposite. New author Missy Christenson has woven a rhythmic, silly tale of comparison that will delight both children and parents. This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.
