

Web Design Simplified: A Guide to HTML, CSS, Website Design Development, Software and Programming (Paperback)

By Bill Richards

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Learning basic web design or HTML and CSS can be a daunting task. If you are like most people, then you have a very basic knowledge of what website design and development is and the concepts behind it. You may know a bit about HTML and CSS or what the basic layout of website looks like. But designing and developing your own site is far more complex and requires skills you do not yet have. This book endeavors to throw light on the basics of website design and development and provide a thorough overview of the markup language HTML and CSS. In it you will find all you need to know about HTML and CSS, from its history to its syntax and working. If you are new to web design and programming this book will help you hone your skills and master HTML and CSS usage and structure. Even if you have some familiarity with the HTML and CSS languages you will still find this web design and programming book a helpful reference while writing HTML and...
