

## Inside Microsoft Dynamics AX 4.0 (Pro - Developer)

By Arthur Greef;Michael Fruergaard Pontoppidan;Lars Dragheim Olsen;Michael Fruergaard Pontoppidan;Lars Dragheim Olsen

Microsoft Press Corp., 2006. Taschenbuch. Book Condition: Neu. Neu Sofortversand !! auf Lager !!

,NEUWARE,Importware,Verlag liefert nur in dieser Qualität. -

Get a comprehensive, architectural exploration of Microsoft Dynamics AX 4.0 and learn how to envision, program, and maintain customized enterprise resource planning solutions. The book includes links to code samples on the Web. This book uses a true inside approach, describing architectural details to make relationships clear and development tasks easier. The first part of the book is aimed at consultants and developers who are new to Microsoft Dynamics AX but have backgrounds in business application development using traditional languages, frameworks, and tools. It describes the architecture and development environment and explains key application frameworks that developers need for their customization, extension, and integration projects. The second part of the book is a reference guide for developers who work with Microsoft Dynamics AX deployments, with information on developing new functionality and supporting users. It covers more complex development concepts such as advanced forms and reports, reflection over the application metadata, performance, upgrades, migration, and setup. This is the first book written by the Microsoft product group architects and the first to take developers deep inside Microsoft Dynamics AX. Designed...

### Reviews

*It in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. David Friesen IV**

*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*
