Stoddart Publishing,Canada, Canada, 1997. Paperback. Book Condition: New. 173 x 107 mm. Language: English . Brand New Book. Ian (Moonkid) has always taken some pride in the fact that he doesn t fit in. But his attitude has finally landed him into trouble. Facing a transfer to a tough school where, as his sister Liberty put it, he ll be eaten alive, Moonkid has no choice but to accept the alternative. He must tutor a young student and straighten up--or else.Little does he know that the young student is Prometheus, a hulking, tough-looking character with a heart of gold. Reading isn t Pro s strength, but he knows more about life than most people. His teacher, Ms. Noble, considers him at risk and is not very pleased with Ian s unorthodox methods, even though Pro s skills are improving. When she forbids Ian to tutor Pro any longer, the pair must find a way to survive the system--and the larger problems that could cloud their lives.With humor and a great deal of insight Paul Kropp brings two opposites together in perfect harmony.
