

Practical Philosophy of Sport and Physical Activity (Hardback)

By R.Scott Kretchmar

Human Kinetics Publishers, United States, 2005. Hardback. Book Condition: New. 2nd Revised edition. 257 x 183 mm. Language: English . Brand New Book. Philosophy is a crucial, yet often overlooked, part of kinesiology students education. Practical Philosophy of Sport and Physical Activity, Second Edition, provides students with a thorough, clear, and practical introduction to the philosophy of physical activity and sport, and in doing so, prepares them for the ethical questions they will face as professionals. This second edition has been significantly revised, and it has been enhanced to include the following features: -Expanded instruction on practical ethics in physical activity, guiding students in how to rank values and turn those values into actions-New material that emphasizes physical activity as well as sport, and provides specific holistic techniques for the practitioner in the workplace-In-depth case studies along with discussion questions that can be used to teach students how to follow a philosophical argument and come to their own conclusions The case studies, one on running up the score and the other on performance-enhancing substances, are based on two articles that are reprinted in their entirety in the appendix. Practical Philosophy of Sport and Physical Activity, Second Edition, helps students examine key...
