The Cloud Seeders

By James Zerndt

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 266 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. 5 stars! SO good that it wraps up solidly, without any cliffhanger typical of books with a planned sequel. A solid, satisfying conclusion with no loose ends and true caring of what happens to these characters. Well done, and a good imagining of what our world could become, and how our youth can be so involved in the machinations of it. Author makes good decisions on what to include and what not to include, to avoid similarities to other books and to let the reader write some on his or her own. Good pacing of revelations and self-editing. Well done. Enjoyable read! -Judge, Writers Digest Self-Published e-Book Awards

What they discover along the way will change their lives, and their country, forever. The Cloud Seeders weaves humor and heartache,...
