In Everything Forgotten: The Conversation, Sir John presents ideas he holds that may form the basis for such a revolution. He explores a wide variety of hotly debated topics, considering love and its unfortunate misinterpretation in the modern world; sex and its use and misuse in marriage; and various gender-related issues, focusing on the role of men and women in today s society. Presenting analysis in both verse and essay format, Sir John writes with the intent of illuminating the effect of these topics on our decisions in life. This collection of prose and poetry offers one man s opinions on a wide range of topics relating to social and interpersonal relationship issues.
