*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An inspirational book about the struggles and pitfalls of a young woman struggling to raise her two sons alone, coping with an abusive/troubled relationship, the abandonment of her father, and facing a possible prison sentence of twenty-five years to life. Life seemed unfair to her, through tears of despair and thoughts of suicide she asks a question, God if you are real, help me! Despite her shortcomings and inability to believe that anyone could ever love her or care about her, God in His infinite wisdom and awesome power stepped out of eternity and into time by speaking a word of hope, encouragement, and healing. Eventually unbelief, despair, hatred, and low self-esteem were replaced with faith in God, and she was endowed with power from on high, peace, love, and self-confidence. The road to victory became easier as she walked with her eyes focused and fixed on the One who saved her from what could have been a tragic end to her life. Life in prison was a blessed one compared to the life she lived prior to being incarcerated and for this she was eternally grateful to her Lord and Savior Jesus Christ. Amazingly this disastrous situation was turned around by Divine Intervention, which inevitably led this woman out of prison and to a life filled with promise, hope, and success. Through belief and having faith in Jesus Christ ultimately this woman was able to overcome low self-esteem, hopelessness, and failure. Upon release from prison, life took a dramatic turn as the Favor of God opened many doors for her and closed many as well. She refused to look back at her past, she pressed toward...
