Print on Demand *****.Hi, Hope you enjoy my horrid Whoops Apostrophe findings - WHOOP S in the title for the humour; .! in the title as there are lots of other errors in here, shock! Apostrophe errors are my favourite horror, but I have snapped so many others.and have chaptered them, to file similar types of errors together. I suppose that you could say some spelling errors are more typesetting mistakes.but hey somebody s to blame in there, every time! Plenty more in my mobile phone s memory, and every day I see and capture more.for posterity!? In shop windows, in cafes, in businesses, in pubs; on cars, vans, on the TV.in Scotland, England, Ireland; in Amsterdam recently, and all over Europe (and Turkey!). Australia. Thought long and hard about adding witty and / or informative captions under many of the images, especially as regards locations; but in the final analysis decided to let the visual nature of the humour speak for itself! And oh I know it s our modern world s fault really, really? Technology - texting, e-mails,...
