HAPPY ABOUT, United States, 2011. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****. Jesus Drank, Judas Repented and God Divorced His Bride is a positive, Christian non-fiction book regarding: The use of alcoholic beverages then and now The repentance of Judas Iscariot God s divorce Divorce in the modern world The untold Bible story of David and the princess This book forces you to re-evaluate your understanding of the bible, re-look at the passages and re-consider their meaning. Examples of common biblical knowledge challenges: Ask anybody how many animals of each kind Noah took on the ark and they ll probably say two. However, God told Noah to take fourteen of most. Yes, there were fourteen reindeer on the ark! The prophet Ezra blessed a divorce and proclaimed that the men should be of good courage, and do it. Ezra 10: 3-5. God divorced Israel (Isaiah 50:1.) Now please, make no mistake, this book isn t pro-divorce or pro-drunkenness. Rather, it was written to provide bible based hope, no matter your current station in life and in spite of all of your failures, past, present and future. God s grace has you covered!
