

Medical-Surgical Nursing Test Success: An Unfolding Case Study Review (Paperback)

By Karen K. Gittings, Rhonda M. Brogdon, Frances H. Cornelius

Springer Publishing Co Inc, United States, 2013. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. This is a unique case study reference for students in the medical surgical nursing core course and a review/workbook for students about to embark on the NCLEX-RN exam. Unlike other reviews, the book embeds required information into compelling, unfolding case studies--studies that evolve over time in order to promote active learning and facilitate knowledge retention. These unfolding case studies are of particular value because they closely mimic real-life situations in nursing and provide situational mental models that assist students with problem-solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX-RN success in assessment, planning, intervention, and evaluation of patient care. All content areas required for NCLEX-RN success--safe and effective care, health promotion, physiological and psychological integrity--are interwoven in an enjoyable format that dispels the drudgery of straightforward memorisation. A variety of NCLEX-style question formats are used throughout the book to help students assess their own learning. Additionally, eResource links to additional information are included throughout the book. Key Features: Uses unique unfolding case study method to present medical-surgical concepts Promotes...
