

## Tracks and Shadows: Field Biology as Art

By Greene, Harry W.

University of California Press, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "What a pleasure it is to read these meditations on a 'personal quest for wildness.' . . . What makes this book so rich is [the author's] gift with language along with his thoughtful appreciation of what it means to study nature and to travel, if ever so briefly, on a living planet."
