Cambridge Scholars Publishing, United Kingdom, 2014. Hardback. Book Condition: New. 1st Unabridged. 208 x 147 mm. Language: English . Brand New Book. In this study of the influence of Indian metaphysics on Lawrence Durrell s novels, Professor Nambiar offers a unique milestone in the history of Durrellian criticism. Embracing Durrell s search for universal awareness through Western and Indian metaphysics, the book presents a new metaphysical reading of the writer s prose that has remained untapped until now. Exploring Durrell s quest for a new reality through fiction, Nambiar focuses in-depth on The Avignon Quintet and questions the complex symbolic patterns that shape the polymorphous characters peregrinations through space and time. With much subtlety, modesty and wit, Indian Metaphysics in Lawrence Durrell s Novels opens up the mysterious doors of the kingdom of the imagination .
