Reviews

An extremely wonderful book with perfect and lucid explanations. This really is for those who statte that there had not been a worth reading. Your way of life span will be convert when you comprehensive reading this book.

(Effie Douglas)

MAKE ME

Book Condition: New. Publisher/Verlag: Random House US | A Jack Reacher Novel. With bonus short story Small Wars | With ten straight no.1 New York Times bestsellers and over 100 million books sold, it's easy to see why the New York Times has anointed Lee Child as "the best thriller writer of the moment," and why Jack Reacher is "the strongest brand in publishing" (Forbes Magazine). | Stephen King calls Jack Reacher "the coolest continuing series character"-and now he's back in this masterly new thriller from Lee Child. "Why is this town called Mother's Rest?" That's all Reacher wants to know. But no one will tell him. It's a tiny place hidden in a thousand square miles of wheat fields, with a railroad stop, and sullen and watchful people, and a worried woman named Michelle Chang, who mistakes him for someone else: her missing partner in a private investigation she thinks must have started small and then turned lethal. Reacher has no particular place to go, and all the time in the world to get there, and there's something about Chang . . . so he teams up with her and starts to ask around. He thinks: How bad can this thing be? But before long he's plunged into a desperate race through LA, Chicago, Phoenix, and San Francisco, and through the hidden parts of the internet, up against thugs and assassins every step of the way-right back to where he started, in Mother's Rest, where he must confront the worst nightmare he could imagine. Walking away would have been easier. But as always, Reacher's rule is: If you want me to stop, you're going to have to make me. Praise for Make Me "Child's Reacher series has hit Book No. 20 with a resounding peal of wisecracking glee. Everything...
