Whether leading a team, designing a product, or managing your personal finances, you need smart, fast decisions. Conquer life's daunting decisions with the help of a friend you've had right on your desk all along: Microsoft Excel. The spreadsheets you will learn to build show actual potential consequences of decisions you make today. change the decision: change the consequences! Yes, there are always unknowns. But, change your assumptions about them—inflation, investment returns, future expenses, and so on—and see how the outcome changes. Have you, due to insufficient information, ever made a rash decision or no decision at all? The methods and samples in this book give you the know-how to make a balanced decision when you feel pulled in many directions by uncertainty or conflicting goals. The book's simple techniques help you quickly build a spreadsheet to guide your thinking on outcomes beyond your control, for personal, financial, or business decisions.
