## Wooden Ship

By Jan Adkins, Jan Adkins

Wooden Boat Publications. Hardback. Book Condition: new. BRAND NEW, Wooden Ship, Jan Adkins, Jan Adkins, The building of a wooden ship in 1870 becomes a New England vision of purpose, skill and strength. This intimate and detailed book begins with the need for a new whaling vessel, follows its design and lofting, and moves in time with the massively powerful interlocking structure of the hull with the adroit workmen who deftly ply their trades in succession: sawyers cutting hackmatack knees, adzmen shaping double-sawn ribs, dubbers and plankers bonding the white oak planks to the skeleton with trunnels, the work of caulkers, joiners, riggers . . . Jan Adkins shares his obvious fascination and attention to detail in these clear, lyric drawings and in a well-crafted narrative.

### Reviews

*Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.*

-- **Lelia Heidenreich**

*Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
