This series of essays has been produced as one way of celebrating the fascinating, missional career of Dr. Eugene Bunkowske, long-time missionary to Africa, long-time linguist and Bible translator, long-time seminary professor, life-long sharer of the Good News of Jesus the Christ. This volume offers plenty of meat to engage the serious student of missions - but also a number of gems that will enlighten any Christian with a commitment to outreach or an interest in the church s mission. Lutheran Church-Missouri Synod readers will be especially interested in some of the pieces, though any student of Sacred Scripture will benefit from many of the essays.
