Language: English Brand New Book ***** Print on Demand *****.Excerpt from Foreign Commercial Credits: A Study in the Financing of Foreign Trade A review of the banking and business history of the past eight years, with special reference to the foreign trade conditions produced by the war, throws into high relief a series of defects and omissions which have been only too characteristic of the practice of American banks and business men. There are many large questions of policy, still unsettled, whose adjustment will be essential before the future of our international trade relations can be in any degree predicted. The tariff, our foreign branch bank policy, our methods of extending credit in foreign trade, the conditions under which foreign bonds may be marketed in the United States, and a variety of others to which we formerly gave but scant attention, are now matters of earnest study in many quarters. There are other issues, more technical in nature but in their way quite as significant as the broader questions to which attention has just been directed, whose settlement is imperative. Among these is the problem of commercial...
