By Robert J Norton Ph D

Trafford Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Pine-Wave Energy: A Guide to Conflict Resolution provides a simplistic yet realistic guide to understanding and resolving conflict in normal day-to-day life, both with ourselves and others. It is a tool to understanding perception within conflict, how emotions become the catalyst for conflict, communication styles, and personality types. It shares effective techniques regarding verbal and nonverbal communication. This is inclusive of the systematically developed QSC strategy for effective verbal communication that can be used in both personal and professional environments. It also introduces the basics of the dynamic technique known as the Fence. This technique has been developed over many years of studying human behavioral patterns by Shoto-Chi's founder. This technique integrates NLP (neuro-linguistic programming) to assist in the control of one's personal space. This takes a logical approach and is a proactive guide aimed at resolving conflict prior to physical engagement whenever possible.
