Createspace, United States, 2005. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Mrs. E.G. White, the prophetess, leader, and chief founder of the Seventh-day Adventist Church, claimed to be divinely inspired by God the same as were the prophets of the Bible. Every line she wrote, whether in articles, letters, testimonies, or books, she claimed was dictated to her by the Holy Ghost, and hence must be infallible. These claims are subject to fair investigation. Her people accept and defend these claims strongly. Her writings are read in their churches, taught in their schools, and preached by their ministers the same as the Holy Scriptures. Their church stands or falls with her claims. From reading the church's books about her, one would never know that she ever made a mistake, plagiarized, practiced deception, or wrote alleged inspired writings which had to be suppressed. The public has a right to know the other side of the life of Mrs. White.
