Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Adell Lubowitz)

THE TYRANNY OF CLICHES: HOW LIBERALS CHEAT IN THE WAR OF IDEAS

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Tyranny of Cliches: How Liberals Cheat in the War of Ideas, Jonah Goldberg, An indispensable and enduring field guide to the arguments the left makes and the ones it tries to avoid. "The Claremont Review of Books" According to Jonah Goldberg, if the greatest trick the devil ever pulled was convincing the world he didn't exist, the greatest trick liberals ever pulled was convincing themselves they're not ideological. Today, objective journalists, academics, and moderate politicians peddle some of the most radical arguments by hiding them in homespun aphorisms. Barack Obama casts himself as a disciple of reason: He's a pragmatist, opposed to the ideology and drama of the Right, solely concerned with what works. And today's liberals follow his lead, spouting countless clichés such as: One man's terrorist is another man's freedom fighter: Sure, if the other man is an idiot. Was Martin Luther King Jr. a terrorist? Was Bin Laden a freedom fighter? Violence never solves anything: Really? It solved our problems with King George III and ended slavery. We need complete separation of church and state: In other words, all expressions of faith should be barred from politics . . . except when they support liberal programs. With humor and passion, Goldberg dismantles these and many other Trojan horses that liberals use to cheat in the war of ideas. He shows that the Progressive tradition of denying an ideological agenda while pursuing it vigorously under the false flag of reasonableness is alive and well. And he reveals how this dangerous game may lead us further down the path of self-destruction."
