JazzyKitty Greetings, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book of poetic verses to encourage you and uplift your spirits. During the most revolutionary time in our lives, all we can do is trust God. We must hold onto a positive vision. What has God instilled in you? What is your purpose in life to the world and in the ministry? The enemy does not foster our future or our eternity. It s our own fears that blind us to the truth and fear that holds us in bondage. Fear keeps us in a place of what we do not want instead of what we can have. We, as people of God, should have a harmonious, healthful way of living. With God s faith we never stand alone. When the doctor s told me in 2005 that I would lose my vision within a year, I had begun to praise God for my healing. Yes, there were days where I felt like giving up. The Enemy spoke to my mind. Then there was one thing after another diabetics, thyroids, high cholesterol, memory lose, irritable bowel syndrome, cyst on my left breast, Fibromyalgia and the latest possible diagnosis that I am being tested for lupus. While taking over 11 pills a day. I read scriptures of healing and examined myself. God let me know that I went though all of that to be a testimony to someone else. It s not all about me but about God using me to do His will. When I said, No. God said, YES. There are many ways that the Holy Spirit speaks to us to tell us to make a change. How many of us take heed?...
