Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book aims to arm the reader with the concepts to explain and justify personal stances that allow them to survive and make sense of life in the twenty-first century. In the early part of the twenty first century, we are witnessing a society, which despite huge amelioration in living standards and opportunities compared with earlier times still has a high proportion of disenchanted in its population; some of whom have resorted to extreme and pitiless behaviour. This book looks at how society has arrived at this point today and determines the mechanisms used to justify stances and explain social behaviour. The impact of technology, use of medicine, cultural prejudices and the lack of reform in political institutions to reflect the demands from a changing demographic are also assessed. Although, credit has been given to Thatcher and Neoliberal economic policy theorists for triggering a seismic shift that accelerated change in society with emphasise firmly placed on increased individual responsibility and unregulated markets. The truth is western society was always on collision course between the demand for...
