The President of the United States, in his eighth year in office, choreographs riots and activates sleeper cells. He declares Martial Law and cancels the Presidential election. In the year 2020, the President declares himself Premier of the Socialist Republic of America (SRA). Global Government is the new title of the old United Nations. The religious Radicals control the country except for one area -- southwestern portion of the country. The SRA is in compliance with the old United Nations Agenda 21, a program designed to construct one world order. Its a power play to bring sovereign nations under the authority of the Global Government. The Government owns all the land, food, water, transportation and energy. The citizens are no longer in possession of personal firearms. The military is reduced to providing aid in floods, fires and other natural disasters. The Federal Emergency Management Agency (FEMA) is now the Premiers national police. Bands of patriots loyal to the Constitution of the United States of America are going underground in an attempt to save their country and take it back from the...
