Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Teacher s Manual for the Prang Course in Drawing for Graded Schools: Books 1-6 This course of instruction presents, not Form Study alone, not Drawing alone, but Form Study alone, not Drawing alone, but Form Study, Drawing and Color as complementing each other, as together furnishing a means of mental development second to no other study, and indispensable in the education of every child, as leading to a knowledge and appreciation of the beautiful. The authors have arranged the work of this Course so that pupils shall first observe and study the forms of models and objects, and shall then express by drawing what they have observed in the forms of the models and objects studied. By the presentation of models of type forms, associated with familiar objects, the senses are addressed, the attention is awakened, the powers of observation are incited, the mind is stirred to action, thought ensues. Drawing and Color are then introduced, not simply as a means of training the eye and hand, but as a language by which the pupil not only expresses but impresses his thought. Still further, in the making required in the study of the models and objects, the ability to use the hands is trained and encouraged, the creative faculties are developed, and thus manual training, with all its healthful influences, is begun. Pupils going through this Course will not only be led, through the cultivation of their observing powers, to take a lively interest in the forms of objects around them, but will also become conscious of the power of expressing their ideas of such forms by drawing, whether with regard to their facts as...
