Zen Physics, the Science of Death, the Logic of Reincarnation

By David Darling

First Edition Design Publishing. Paperback. Book Condition: New. Paperback. 194 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. Acclaimed astrophysicist David Darling comes well-armed with both science and mysticism to provide a theory of consciousness and its final conclusion. His well-researched ideas on psychology, neuro-biology, quantum physics and a host of others meld with Zen mysticism to provide a step by step approach to what consciousness is, and what it is not. The urban myth of who we are is peeled back to reveal a terrible-wonderful truth. We are a fragmented assortment of often biased memories held together by a selfish brain whose primary concern is its own immortality. So how does this amalgam of I manage to create what is considered the highest life-form on earth You start at conception, add some biology and evolutionary theory, and what emerges is an organism using its every meager power to construct its own unique reality. Or is it that unique Are we truly disconnected from all those other unique realities of the past, present and future Darling launches into a frank discussion of consciousness. How each of our stories is pieced together from a constantly changing conglomerate of memories. It is these...
